WHAT IS LENT?

The season of Lent is the 40 days leading up to Easter. We are called to remember how Jesus was led into the wilderness to be with God, to be tested, and to fast (Matthew 4:1-11). In church, you will see the color purple, historically associated with royalty, that was put on Jesus only once, as He was willingly tortured on our behalf, before He was crucified. Many of us will receive the sign of the cross on our foreheads in ashes on Ash Wednesday, helping us to remember our baptisms, our mortality, and our sin. Some will choose to fast or give up something during the season of Lent. This is not required, but can serve as a way to deny the body- remembering Jesus' sacrifice for us, identifying ourselves with Him, and making us aware of the depth of our need for Him. If you choose to fast from or give up something for Lent, pray about it together as a family, and use the calendar and chart below to help you stay on track.
